

<p><b>Title of the training</b> Focus IP Patents</p>
<p><b>Public</b> This training cycle is exclusively organized online in English language. It is intended for patent attorneys, attorneys, company lawyers, judges, paralegals and for anyone dealing with patent law in her or his daily professional practice, as well as for IP students.</p>
<p><b>Prerequisites/Entrance requirements</b> Participation in this non-degree training does not require any specific prerequisites.</p>
<p><b>Objectives</b> CEIPI is organizing, as from February 2025, a new annual continuous training cycle dedicated to patent law. It is intended for patent attorneys, attorneys, company lawyers, paralegals and for anyone dealing with patent law in her or his daily professional practice. The modules will take place as monthly two-hour webinars, usually every first Friday of the month. They give the opportunity to patent practitioners to keep up to date on topics related to their professional experience. The webinars are presented by recognized international experts. Each webinar deals with a specific topic of patent law.</p>
<p><b>Program</b> (subject to later changes)</p> <ol style="list-style-type: none"> <li>1. Comparison of law and practice concerning patentability and added subject-matter in different European jurisdictions, and in the framework of the EPC and the UPC (7 February 2025)</li> <li>2. Law and practice of employees inventions in different countries (7 March 2025)</li> <li>3. Computer implemented inventions and AI in the patent system (4 April 2025)</li> <li>4. Supplementary protection certificates (SPC) for pharmaceutical and plant protection products: case law of the CJEU and in different European jurisdictions (9 May 2025)</li> <li>5. Plausibility and inventive step following G 2/21 (6 June 2025)</li> <li>6. Patent infringement seizure (order to preserve evidence): a comparison between France and UPC (4 July 2025)</li> <li>7. The Dual German Patent System: Two separate proceedings for validity and infringement (5 September 2025)</li> <li>8. Standard Essential Patents: Law and practice in different countries and according to the UPC (3 October 2025)</li> <li>9. Claim construction following the referral in G 1/24 / State of the art following the referral in G 1/23 (7 November 2025)</li> <li>10. Tips &amp; tricks in US patent prosecution (5 December 2025)</li> </ol>
<p><b>Duration and time frame</b> The training cycle comprises 10 two-hour webinars usually held every first Friday of the month, from 12:30 to 14:30 CET (for some exceptions to this schedule refer to the detailed programme). It is possible to either attend some of the webinars only, or to enrol for the whole cycle of 10 sessions.</p>

### Teaching methods and training language

The webinars aim to combine theory and practice in order to provide concrete, pragmatic answers to the questions raised. They consist of presentations and discussions between the speakers and the participants.

The webinars are exclusively held in English language. They will be recorded.

### Technical and pedagogical frame

Access to the online sessions will take place via the connection to the platform Zoom. The ID and password for the connection will be made available to the participants in advance. The participants must have appropriate technical equipment to participate in the online session, in particular a laptop or similar device and high speed WIFI.

Do not hesitate to contact us in case of questions related to the connection to Zoom. However, the CEIPI does not assume any legal responsibility in the event of a malfunction of the platform used during the online sessions or a lack of speed/network quality among participants and tutors.

Tel : +33 3 68 85 88 93

#### Training supports

The speakers' presentations and other supports will be made available to the participants. The webinars will be recorded.

The training aims at the adaptation and development of skills. Participants will receive an attendance certificate.

An evaluation questionnaire will be sent at the end of the course in order to measure client satisfaction.

#### Location

The training is exclusively organized online. The participants attend the training online (webinars on the platform Zoom and access to the training supports through a dedicated intranet).

#### Fees

	<i>Standard rate per participant</i>	<i>Discount rate per participant (as from the second attendee per employer)</i>
<i>For each webinar</i>	200€	180€
<i>For the whole cycle of 10 webinars</i>	1800€	1600€
